Eso: Ladies and gentlemen, you've reached the 1-800 Love Line

Gary: Oh, just feeling a bit lonely at home, you know?

Eso: No need to feel lonely Gary, Soul Glo is going to sweep you off your feet and pour a bag of sugar on your nuts

Gary: Oho, that sounds pretty good

Eso: It's better than great Gary, it's Soul Glo. And for all you lovers out there, we got a special song coming your way

Just watch my soul glo, baby (oh yeah)

Just watch my soul glo

Cause me and the boys are gonna have a boogie
