

## Clean the Tub

Bliss n Eso

Oh we go out there for, like, barbecues, like, every thursday and shit, homes

You wouldn't shut up for even an hour

You can crunkle that dumb shit as much as you want, homes

No, I'm a true stoner, homes. I've been putting this shit down since I was, like, 8 and 5 and shit, or 5 and 8. And I really don't like my 9 to 5, Hector. And I'ma tell you this homeboy, if this is how it goes down, holy shit you'd better watch how it goes up, homeboy. 'Cause them Bliss n Eso boys, mate. I-I've seen them boys, mate, practicing this shit mate. They been on that, ehr, supportless, mate. You know that scene? And I know Hector loved them boys, mate. That's why I've, I've ripped them boys, mate, from my heart. We be pounding 40 down there like we carlilo, fucking doing whatever, mate. Sipping the motherfucking margaritas, mate. I've been here telling Hector "clean the tub, mate". 'Cause these motherfuckers are gonna come around for dinner. And we going to show them a good time, mate. So, ehr, peace out, mate, and Bliss n Eso be on the real shit, mate. Peace.  
(Hector, let's go get these fucking [?])
