

## She's Hearing Voices

Bloc Party

She's hearing voices call her  
She's hearing voices warn her  
She just can't sleep in her bed  
She just can't sleep  
She's falling down the stairs  
She's tearing out her hair  
She's screaming my name, in the night  
To keep her warm

She got a red pill blue pill  
Red pill blue pill  
Red pill blue pill  
Red pill blue pill  
Milk of amnesia

She's scared of the blacks  
And she's scared of the Jews  
She is walking around  
She is yesterday's news  
And she screams out my name  
In the dead of the night  
She is leaving my room  
She is crying on her side  
Walking on eggshells  
Walking on glass  
Burnt by the mirror  
Burnt by the light  
Feeling rejection I'll burn down your house  
Tearing down posters  
I was never alive
