

## 10 Feet High

Blonde Redhead

If i could go away  
I wouldn't go there  
It's fine it's out  
It's life  
It's no surprise  
If i were in love...  
Don't care, just walk some miles  
I kissed you on and on  
And it's all wrong

To know that you are there  
To turn you on  
Again what could go wrong?  
Take the eyes  
I'd feed you on and on  
And there's a song  
If i were in love...  
Don't care, just walk some back
