

Penny Sparkle

Blonde Redhead

If Penny could tell me all she's seen
About the way her clover tastes
She said she had a fun today
She soared over like she used to
If I could only given her time

Oh oh oh ow ow ow ow
She lost her pain and she stayed
Oh oh oh ow ow ow ow
Her eyes, they're dark and they show

If Penny could tell me all she knows
And about the way the wind can hurt
And when she thinks of coming back
Or making fools of us.
Walk back with me or may be she'll stay.

Oh oh oh ow ow ow ow
She lost her pain and she stayed
Oh oh oh ow ow ow ow
Her eyes they're dark and they show
Oh oh oh ow ow ow ow
She lost her age and she stayed
Oh oh oh ow ow ow ow
Her tail it swings and it shows
