

Vague

Blonde Redhead

You're my wife and I'm your brother
You're my love and I'm your sin
What can I do?
If you're my lover and I'm your mother
You're so mean
It's not true
Yeah, it's not true

You are so like me
I can't hardly
Give you a smack
You know how that is
I could never
Save your money

You're my wife and I'm your brother
You're my love and I'm your sin
What can I do
If you're my lover and I'm your mother
You're so mean
It's not true
Yeah, it's not true

What did I do
What do you want me to do
I thought you were my darling
You knew how that is
I could never
Save my money
