D G A D
I know a girl from a lonely street
Cold as ice-cream, but still as sweet
       Α
Dry your eyes sunday girl
     G A D
Hey I saw your guy with a different girl
         Α
Looks like he's in another world
Run and hide sunday girl
Hurry up hurry up and wait
I stay away all week and still I wait
I got the blues please come see
What your loving means to me
       A
             В
She can't catch up with the working crowd
         В
The weekend mood and she's feeling proud
      В
Live in dream sunday girl
Baby I would like to go out tonight
          В
If I go with you my folks'll get uptight
    В
                 C#m
Stay at home Sunday girl
Asm
       F#
             A
000 000 000h
            A B
                   E
Hey I saw your guy with a different girl
         В
Looks like he's in another world
Run and hide sunday girl
             В
When I saw you again in the summer time
If your love was as sweet as mine
A B
I could be sunday's girl
