

Games of Humiliation

Blood Red Throne

Intolerance, fugitive caption
Tomb of possession, tomb of death
Blood, pain and mourning
Games of humiliation
Chapters written in blood
History of iconic mass murderer

Black dawn, eternal silence
Only inhumane hunger remains
Blood shower, dead for nothing
Apocalyptic suffocation
Path of the possessed
Eternal silence

Human slime, deeds of hate
Soul's torn apart, prayer of hatred
Call from the grave, malice embrace
Torn in pieces, rest in pain

Better off dead, being of terror
Better off dead, day of suffering
Better off dead, games of humiliation
