

Iconic lies
Creates death in your eyes
Masses in fear
Terror on the name of a God

World is in a choke hold
Madness in what we are told
Desperation comes to those who
Knows no mercy

Forcing the weak
To sacrifice all
It's an act to repent
Unfulfilled power through obliviousness

World is in a choke hold
Madness in what we are told
Desperation comes to those who
Knows no mercy

Follow the leader
Follow the lie
Illusions of evil
The immortal must die

God must die
For us to survive
Satan is real
And most definitely alive

Instructed insanity
World has gone insane
Religion is warfare
Religion is pain

Follow the leader
Follow the lie
Illusions of evil
The immortal must die
