

Blood on Satan's Claw

Bloodsucking Zombies from Outer Space

Is this a punch in the face of society
I will spend all the works in the industry
just another boring rockstar fantasy blabla away no class no style since blabla reckless life
oh fuck you, we don't believe you not at all
we need a real hellraiser we're gonna raise a height tonight
we need a real hellraiser we're gonna raise a height tonight
tonight
tonight
tonight

get ready get ready your blood on satans claw
they used blabla follow
get ready get ready your blood on satans claw
the beast lives responding S?? blablabla
some country rock and broken class
destructive kids and psychopaths so wellBLABLA and the danger??
for all
theres is an official blablabalbl way, they know who wants be part of it
they?? part of us, one of us at all
we need a real hellraiser we're gonna raise a height tonight
we need a real hellraiser we're gonna raise a height tonight
tonight
tonight
tonight

get ready get ready your blood on satans claw
they used blabla stand up and follow
get ready get ready your blood on satans claw the beast lives blabla go blablabla
GO GO GO GUITAR
we need a real hellraiser we gonna raise a height tonight we need a real hellraiser we gonna raise a height tonight
tonight C
tonight
tonight

get ready get ready your blood on satans claw they use blablabl
ablabl follow
blabalb
the beast rises and you will fall
