

## Blow

## Blossoms

The cold road is all I know  
The old road is where she blows  
The cold road is all I know  
The old road is where she blows

This girl never cried for love  
The last time I asked you why  
The last time she saw me cry  
The last time I asked you why  
The last time she saw me cry

This girl never shied for her love

And it's everywhere she goes  
I don't know if it's love that you want  
All the love I know  
Yes, she blows  
Yes, she blows  
Yes, she blows  
Oh, she blows

The cold road is all I know  
The old road is where she blows  
The cold road is all I know  
The old road is where she blows

This girl never cried for her love

(2x):

And it's everywhere she goes  
I don't know if it's love that you want  
All the love I know  
Yes, she blows  
Yes, she blows  
Yes, she blows  
Oh, she blows
