

# Bad Timing

Blue Rodeo

Hey it's me what a big surprise  
Calling you up from a restaurant  
Around the bend  
Just got in from way up North  
I'm achy and tired now  
And I could use a friend  
I'd be a fool  
To think that you do  
Want to see me again

I know it's been awhile since I talked to you  
Nothing wrong  
Just nothing ever goes as planned  
Many times I thought I'd call  
Didn't have your number in my hand  
Oh, I know it's true  
You'd never do  
The same thing to me

I never meant to make you cry  
And though I know I shouldn't call  
It just reminds us of the cost  
For everything we've lost  
Bad timing that's all

And maybe soon there'll come a day  
When no more tears will fall  
We each forgive a little bit  
And we both look back on it  
As just bad timing that's all

Used to have so many plans  
Something always seemed to turn out wrong  
Never could catch up to you  
Moving on and doing all you've done  
I don't know why  
The harder I try  
The harder it comes

I never meant to make you cry  
And though I know I shouldn't call  
It just reminds us of the cost  
For everything we lost  
Bad timing that's all

And maybe soon there'll come a day  
When no more tears will fall  
We each forgive a little bit  
And we both look back on it  
It's just bad timing that's all

We each forgive a little bit  
And we both look back on it  
It's just bad timing that's all
