Christmas Must Be Tonight

Blue Rodeo

Come down to the manger, see the little stranger Wrapped in swaddling clothes, the prince of peace The wheels start turning, torches start burning And the whole wise men journey from the East

How a little baby boy bring the people so much joy Son of a carpenter, Mary carried the light This must be Christmas, must be tonight

A shepherd on the hillside, where over my flock I bide On a cold winter night, a band of angels sing In a dream I heard a voice said : "Fear not, come rejoice It's the end of the beginning, praise the new born King"

How a little baby boy bring the people so much joy Son of a carpenter, Mary carried the light This must be Christmas, must be tonight

I saw it with my own eyes, written up in the skies But why a simple herdsmen such as I And then it came to pass, he was born at last Right below that star that shines on high

How a little baby boy bring the people so much joy Son of a carpenter, Mary carried the light This must be Christmas, must be tonight

Son of a carpenter, Mary carried the light This must be Christmas, must be tonight

Must be tonight Must be tonight Must be tonight…
