

# Losing You

Blue Rodeo

One, two, one, two, three

You throw me a kiss  
Then you look at the clock  
And say that it's late  
Got no time to talk  
You say, "Please, don't be sad  
Wipe that tear from your face"  
This isn't a time for [?]

But you don't love me like you used to  
You don't treat me like you used to  
Well, I, I know  
I know that I'm losing you  
Losing you  
Losing you

As I watch you sleep  
I hear you sigh  
I know all the reasons why

But you don't love me like you used to  
You don't treat me like you used to  
Oh well, I, I know  
I know that I'm losing you  
I'm losing you  
I'm losing you

But you don't love me like you used to  
And you don't treat me like you used to  
Oh well, I, I know  
I know that I'm losing you  
I'm losing you  
I'm losing you
