

Song for a Winter's Night

Blue Rodeo

The lamp is burnin' low upon my tabletop
The snow is softly falling
The air is still in the silence of my room
I hear your voice softly calling

If I could only have you near
To breathe a sigh or two
I would be happy just to hold the hands I love
On this winter night with you

The smoke is rising in the shadows overhead
My glass is half empty
I read again between the lines upon the page
The words of love you sent me

If I could know within my heart
That you were lonely too
I would be happy just to hold the hands I love
On this winter night with you

The fire is dying now, my lamp is growing dim
The shades of night are lifting
The morning light steals across the windowpane
Webs of snow are drifting

If I could only have you near
To breathe a sigh or two
I would be happy just to hold the hands I love
On this winter night with you
On this winter night with you
