

She Told Me

Blue

There was a girl I knew, she was more the beautiful
She had a mind of her own - 5 foot 8 or more.
She was a real wild child and nothing could hold her back
She was my sister's best friend so now you know where its at.

She's always been around, me and her were always down
Right in front of me, how could I be too blind to see?
She was always hangin' out, me and her we talked about everything
I never knew.

She told me

If you like my style:come on
If you need a ride:come on
Compatible Starsign:come on
That's what she told me
If you like my style:come on
If you need a ride:come on
Compatible Starsign:come on
She told me...

It was one of those times way back in the day
She was at my door with a smile across her face
I said "My sister ain't home - she's gone out for a while",
She said "That's cool with me that's the reason I came by".

She's always been around, me and her were always down
Right in front of me, how could I be too blind to see?
She was always hangin' out, me and her we talked about
Everything I never knew.

She told me yeh.

If you like my style:come on
If you need a ride:come on
Compatible Starsign:come on
That's what she told me
If you like my style:come on
If you need a ride:come on
Compatible Starsign:come on
She told me

na na na na na - na na na na

She told me

If you like my style:come on
If you need a ride:come on
Compatible Starsign:come on
That's what she told me
If you like my style:come on
If you need a ride:come on
Compatible Starsign:come on
She told me
