

Hook

Blues Traveler

A **E** **F#m C#**
It doesn't matter what I say
D **A** **D E**
So long as I sing with inflection
A **E** **F#m C#**
That makes you feel that I'll convey
D **A** **D E**
Some inner truth of vast reflection
A **E** **F#m C#**
But I've said nothing so far
D **A** **D E**
And I can keep it up as long as it takes
A **E** **F#m C#**
And it don't matter who you are
D **A** **D E**
If I'm doing my job then it's your resolve that breaks

A **E** **F#m C#**
Because the hook brings you back
D **A** **D E**
I ain't tellin' you no lie
A **E** **F#m C#**
The hook brings you back
D A **D E**
On that you can rely
