1. If you are feeling like you're tired
- C** **G** **F** **F**
- And all your uphill struggles leave headed downhill
- C** **G** **D** **D Ds D Ds D**
- If you realize your wildest dreams can hurt you
- C** **G** **F** **F**
- And you appetite for pain has drincken its fill
2. I ask of you a very simple question  
Did you think for one minute that you are alone  
And is your suffering a privilege you share only  
Or did you think that everybody else feels completely at home
- Am**
- R: Just wait
- C**
- Just wait
- G**
- Just wait
- D**
- And it will come
3. If think I've given up on your you're crazy  
And if you think I don't love you well then you're just wrong  
In time you just might take to feeling better  
Time is the beauty of the road being long
4. I know that now you feel no consolation  
But maybe if I told you and informed you out loud  
I say this without fear of hesitation  
I can honestly tell you that you make me proud
- R: Just wait... (2x)
5. If anything I might have just said has helped you  
If anything I might have just said has just helped you carry on  
Your rise uphill may no longer seem a struggle  
And your appetite for pain may all be gone
6. I hope for you and cannot stop hoping  
Until that smile has once again returned to your face  
There's no such thing as a failure who keeps on trying  
coasting to the bottom is the only disgrace
- R: Just wait... (3x)
