

# Out Of Time

Blur

- Emi F Emi G**  
1. Where's the love song to set us free  
**Emi F**  
Too many people down  
**Emi F G**  
Everything turning the wrong way round
2. And I don't know what life would be  
If we stop dreaming now  
Lord know's we'd never clear the clouds

**Emi F**  
R: And you've been so busy lately that  
**Emi F**  
you haven't found the time  
**Emi F**  
To open up your mind

**E H G D A E**

And watch the world spinning gently out of time

3. Feel the sunshine on your face  
It's in a computer now  
Gone to the future way out in space

R: And you've been...

**E H G D A E**

R: And you've been... (2x)
