

## Pressure on Julian

Blur

Only the magical transit children, sing sing a lullaby bah, bah  
, bah  
Sitting on a pavement sucking on a long straw  
It's colourful, It's colourful, but it washes you out

Here is my violence and here is the excuse  
I learnt it all, but only second hand  
Falling into walls, well what is it with you  
You'd never know, never know, never know

We planned it all this way, we planned it all this way  
Pressure on Julian

Swimming in yellow pissy water, sand getting in between the ears  
No blood in head in this bloody weather  
Irate people with yellow tongues

Only the magical transit children, sing sing a lullaby bah,bah,  
bah  
Falling into walls, well what is it with you  
You'd never know, never know, never know

We planned it all this way, we planned it all this way  
Pressure on Julian

There was pressure on Julian, pushing trolleys in the car park  
From B to A then back to B  
Pressure on Julian  
Passing out, precious little snout  
The birds are singing at night  
The birds are singing at night, Pressure on Julian

We planned it all this way, we planned it all this way  
Pressure on Julian
