

The Days of Justice

BlutEngel

Freedom and justice
Seem to be an illusion
When you hide in the shadows
When you just wait for a change
You have to rise again
And be part of the game
You have to fight for yourself
And keep your head up high

Stop telling us lies
We don't want to hear what you say
Your time is running out tonight
And you are not the one to stop us, anyway
Stop telling us lies
We don't wanna hear what you say
Your time is running out tonight
And the days of justice are not far away
(Far away...)

Keep confidence in yourself
And soon you will see
You're not fighting alone
We will stand by your side
Together we will break the chains
We are a legion
We are not going back
And the blood-kings will fall

Stop telling us lies
We don't want to hear what you say
Your time is running out tonight
And you are not the one to stop us, anyway
Stop telling us lies
We don't wanna hear what you say
Your time is running out tonight
And the days of justice are not far away
(Far away...)

Stop telling us lies
We don't want to hear what you say
Your time is running out tonight
And you are not the one to stop us, anyway
Stop telling us lies
We don't wanna hear what you say
Your time is running out tonight
And the days of justice are not far away

Stop telling us lies
(Stop telling us lies...)
Stop telling us lies
(Stop telling us lies...)
And the days of justice are not far away
Stop telling us lies
(Stop telling us lies...)
Stop telling us lies
(Stop telling us lies...)
And the days of justice are not far away

(Far away...)
