

## Got Money

Bo Bice

Well you've been talkin', talkin' 'bout it  
Now you got to leave it behind  
You ain't got no cause for conversation  
No you ain't gonna stand here in line  
Keep a distance with your dirty habits  
All these people just letting you by

[Chorus:]

Ain't got money, ain't got time  
You're spreading me thin girl  
Like a worn thin dime

No you cannot stand and deny  
The groove is happenin', and the beat is flowin'  
Breathin' right here on time  
Sure will miss you, baby as you're leavin'  
Hear you whisper as you close the blinds

[Chorus]

[Solo]

Sure will miss you, baby as you're leavin'  
Hear you whisper as you close the blinds

[Chorus]
