

# Beyond Here Lies Nothin'

Bob Dylan

Oh well, I love you, pretty baby  
You're the only love I've ever known  
Just as long as you stay with me  
The whole world is my throne

Beyond here lies nothin'  
Nothin' we can call our own

Well, I'm movin' after midnight  
Down boulevards of broken cars  
Don't know what I'd do without it  
Without this love that we call ours

Beyond here lies nothin'  
Nothin' but the moon and stars

Down every street there's a window  
And every window's made of glass  
We'll keep on lovin', pretty baby  
For as long as love will last

Beyond here lies nothin'  
But the mountains of the past

Well, my ship is in the harbor  
And the sails are spread  
Listen to me, pretty baby  
Lay your hand upon my head

Beyond here lies nothin',  
Nothin' done and nothin' said
