I'll Remember You

I'll remember you When I've forgotten all the rest You to me were true You to me were the best When there is no more You cut to the core Quicker than anyone I knew When I'm all alone In the great unknown I'll remember you.

I'll remember you At the end of the trail I had so much left to do I had so little time to fail There's some people that You don't forget Even though you've only seen'm One time or two When the roses fade And I'm in the shade I'll remember you.

Didn't I, didn't I try to love you ? Didn't I, didn't I try to care ? Didn't I sleep, didn't I weep beside you With the rain blowing in your hair.

I'll remember you When the wind blows through the piney wood It was you who came right through It was you who understood Though I'd never say That I done it the way That J done it the way That you'd have liked me to In the end My dear sweet friend I'll remember you. **Bob Dylan**
