

# Oh, Sister

Bob Dylan

**G** **Bm** **C** **G**  
Oh sister when I come, to lie in your arms.

**G** **Bm** **C** **G**  
You should not treat me like a stranger.

**G** **Bm** **C** **G**  
Our father would not like the way that you act,

**G** **Bm** **C** **G**  
And you must realize the danger.

Oh sister am I not a brother to you.  
And one deserving of affection?  
And is our purpose not the same on this earth,  
To love and follow his direction?

**F** **C** **G**  
We grew up together from the cradle to the grave.

**F** **C**  
We died and were reborn

**G** **D**  
and then mysteriously saved

Oh sister when I come to knock on your door  
Don't turn away, you'll create sorrow.  
Time is an ocean, but it ends at the shore.  
You may not see me tomorrow.
