Spanish Is the Loving Tongue

Bob Dylan

Broke my heart, lost my soul
Adios, mi corazon
Spanish is the loving tongue
Soft as music, light as spring
It was a girl I learned it from
Living down Sonora way
Well, I don't look much like a lover
Still I say her love words over
Mostly when I'm all alone
Mi amor, mi cora sole.

Haven't seen her since that night
I can't cross the line you know
They want me for a gamblin' fight
Like as not it's better so
Still I always kind of missed her
Since that last sad night I kissed her
Broke her heart, lost my own
Adios, mi cora sole
Broke her heart, lost my own
Adios, mi cora sole
Adios, mi cora sole
Adios, mi cora sole
Adios, mi cora sole.
