Trouble in the city, trouble in the farm You got your rabbit's foot, you got your good-luck charm But they can't help you none when there's trouble.

Trouble
Trouble, trouble, trouble
Nothing but trouble.

Trouble in the water, trouble in the air

Go all the way to the other side of the world, you'll find trou

ble there

Revolution even ain't no solution for trouble.

Trouble
Trouble, trouble, trouble
Nothing but trouble.

Drought and starvation, packaging of the soul Persecution, execution, governments out of control You can see the writing on the wall inviting trouble.

Trouble
Trouble, trouble, trouble
Nothing but trouble.

Put your ear to the train tracks, put your ear to the ground You ever feel like you're never alone even when there's nobody else around?

Since the beginning of the universe man's been cursed by troubl e.

Trouble, trouble, trouble Nothing but trouble.

Nightclubs of the broken-hearted, stadiums of the damned Legislature, perverted nature, doors that are rudely slammed Look into infinity, all you see is trouble.

Trouble
Trouble, trouble, trouble
Nothing but trouble.
