

# Goin' Up to Bethlehem

Bob Rivers

There's a star to the north and im goin',  
just as fast as the angels fly.

There's a manger ahead and it's glowin',  
gunna find that Jesus guy.

Come on and worship him,  
we're goin' up to Bethlehem.

oooh

Bring a sack full of gold for the baby,  
Get some grace while the gettin' is good.

Ride a camel and ride past the Shephard,  
to that manger made of wood.

Glad tidings and three wise men,  
we're goin' up to Bethlehem.

Hallelujah

Hallelujah

Catch a ride to the end of the desert,  
and we'll meet by the Christmas tree.

Full of grace up ahead and it's glowin',  
come and see that nativity scene.

Someday he'll rise again,  
we're showing up with three wise men.
