

At Last

Bobby Caldwell

At last
My love has come along
And my lonely days are over
And life is like a song
At last
The skies above are blue
My heart was wrapped in clover
The night I looked at you

I found a dream that I can speak to
A dream that I, yes I can call my very own
I found a thrill to press my cheek to
It's a thrill like I've never known

When you smiled
And then the spell was cast
Darling here we are in Heaven
For you are mine at last

When you smiled
Then the spell was cast
Baby here we are in Heaven
For you are mine at last

Honey at last
Baby at last
You
You are mine at last
