Ill Wind

Bobby Caldwell

Blow ill wind, blow away Let me rest today You're blowing me no good

Go ill wind, go away Skies are oh so gray Around my neighborhood And that ain't good

You're only misleadin' the sunshine I'm needin'
And ain't it a shame
It's so hard to keep up with troubles that creep up
From out of nowhere, when love's to blame

So ill wind, ill wind blow away Please let me rest today You're blowing me no good

So ill wind, ill wind blow away Won't you let me rest today You're blowing me no good No good
