

# Your Precious Love

Bobby Caldwell

Every day there's something new  
Honey, to keep me loving you  
And with every passin' minute  
Oh baby, so much joy wrapped up in it

Heaven must have sent you from above  
Heaven must have sent your precious love

And now I've got a song to sing  
Telling the world about the joy you bring  
And you gave me a reason for livin'  
And taught me the meaning of givin'

Heaven must have sent you from above  
Heaven must have sent your precious love

To find a love like yours is rare these days  
'Cause you've shown me what happiness is in so many ways  
I look in the mirror and I'm glad to see  
A lantern in the eyes where tears used to be

What you've given me I could never return  
'Cause there's so much girl I've yet to learn  
And I wanna show ya, wanna show my appreciation  
'Cause when I found you, I found a new inspiration

Heaven must have sent you from above  
Heaven must have sent your precious love  
Heaven must have sent you from above  
Heaven must have sent your precious love

Heaven must have sent you from above  
Heaven must have sent your precious love

Heaven must have sent you from above

Heaven must have sent you from above
