

Don't Think Twice, It's All Right

Bobby Darin

Ain't no use to sit and wonder why, babe
If you don't know by now
Ain't no use to sit and wonder why, babe
It doesn't matter, anyhow

When your rooster crows at the break of dawn
Look out cha wind-ah, Mama, see me gone
You're the reason I keep travelin' on
Don't think twice, it's all right

And it ain't no use to callin' out my name, gal
Just like you never done before
No it ain't no use to callin' out my name, gal
I can't hear you anymore

But I'm walkin' and wond'rin' all the way down the road
I once loved a woman, a child I'm told
I give her my heart but she wanted my soul
Don't think twice, it's all right

Goin' down that long lonesome highway
Where I'm bound I cannot tell
Goodbye is too good a word, babe
So I guesss I'll just say fare thee well

Still there's somethin' I wish that you would do or say
To make me change my mind and stay
Then again we never did too much talkin' anyway
So don't think twice, it's all right

Ain't no use to sit and wonder why, babe
If you don't know by now
No it ain't no use to sit and wonder why, babe
Doesn't seem to matter, anyhow

When your rooster crows at the break of dawn
Girl, I want you to look out the window and you're goin' to see
me gone
You're the reason that I keep travelin' on
But don't think twice, it's all right

I say ... don't think twice, it's all right
