Golden Earrings

Bobby Darin

There's a story the Gypsies know is true That when your love wears golden earrings She belongs to you

An old love story that's known to very few But if you wear these golden earrings Love will come to you

By the burning fire they will glow with every coal You will hear desire whisper low in your soul

So be my Gypsy
Make love your guiding light
And let this pair of golden earrings cast their spell tonight

By the burning fire they will glow with every coal You will hear desire whisper low inside your soul

So be my Gypsy Make love your guiding light And let this pair of golden earrings cast their spell tonight

Let this pair golden earrings do their work tonight Yes, let this pair golden earrings cast their spell tonight
