I Found a Million Dollar Baby

It was a lucky April shower It was a most convenient door I found a million dollar baby In a five and dime store.

The rain continued for an hour I hung around for three or four Around a million dollar baby From a five and dime store.

You know that she was selling candy And when she rolled those eyes I bought so much candy Till I was twice my size.

If you should run into a shower And wanna step inside my door You'll meet a million dollar baby From a five and dime store.
