

Keep a Walkin'

Bobby Darin

Yeah, keep a walkin', golly-gee
Keep a talkin' about you and me
Keep tellin' me baby that you're in love with me
Yea yea yea, keep a sayin' that you are mine
Keep a prayin' that everything'll be fine
Keep a tellin' me baby that you belong to me

Well a well a well a Monday, Tuesday, Wednesday, Thursday work
all day
Along comes Friday and I get my pay
I can't wait until Saturday night
When I take you out I'm gonna treat you right
Keep a walkin', hand in hand
Keep a talkin', say you understand
Keep a tellin' me baby that you're in love with me
Woo- woo

Well a well a well a
Monday, Tuesday, Wednesday, Thursday work all day
Along comes Friday and I get my pay
I can't wait until Saturday night
When I take you out I'm gonna treat you right
