

Mary Don't You Weep

Bobby Darin

Oh mary don't you weep don't you mourn
Oh mary don't you weep don't you mourn
Pharaos army got drowneded
Mary don't you weep

Oh mary don't you weep don't you mourn
Oh mary don't you weep don't you mourn
Pharaos army got drowneded
Mary don't you weep

Now where were you when they were counting heads?
Probably asleep in a feather bed
Pharaos army got drowneded
Mary don't you weep

Now some use sugar and some use starch
Some don't care but some got to march
and Pharaos army gonna get drowneded
Mary don't you weep

Oh mary don't you weep don't you mourn
Oh mary don't you weep don't you mourn
Pharaos army got drowneded
Mary don't you weep
