

# Song For A Dollar

Bobby Darin

...  
...  
...  
...

But how many steaks can you chew, boy?  
How many cars can you drive?

You know, ...  
...

...  
...  
...  
...

How many suits can you wear, boy?  
How many homes can you own?  
How many rhymes for.....

You know, ...  
...

...  
...  
...  
...

But how many times can you lie, boy?  
How many games can you play?  
...

You know, ...  
...

...  
...  
...  
...

But how many...  
...

You know, ...  
...
