

# Talk to Me Something

**Bobby Darin**

Talk to me something  
Make me understand  
Talk to me something  
Make me understand

Talk to me sweetly  
One long year completely  
Talk to me something  
While I hold your hand

Talk to me something  
Whisper in my ear  
Talk to me something  
Whisper in my ear

Talk to me, hold my hand  
Say I will .....  
Talk to me something  
Words I long to hear
