## I'm My Own Walkman

**Bobby McFerrin** 

Say what? Say what? When you're walking down the street And you got your walkman and you're walkin' to the beat And you got your walkman and you're walkin' to the beat Say what? Let me tell you somethin' What i prefer Instead of listnin' to the music in your ears Try singing to yourself Let me tell you somethin' Say what? Instead of puttin' on your walkman Instead of puttin' on your walkman Try singing a tune Try singing All kinds of beats for all kinds of feets Hey what Say what Real soulful beat, when you wanna look cool People sayin' "hey, how you get to walk like that" You say "well i'm my own walkman"

I'm my own walkman
