

Thank You

Bobby V

I'm thankful!
I'm grateful!
I love you!
I need you!

Thank you!
Just wanna say thank you!
Thank you, thank you!
I just wanna say one thing... Thank you!
When I was down you picked me up and place my feet on solid ground!
Stay real!
I'm thankful and I'm grateful!
I love you!
I just wanna say thank you!
