

My Girl

Bobby Valentino

Yeah

If you don't wanna love me
You don't wanna love me (valentino)
If you don't wanna love me
You don't wanna love me

I done been around the world
and back again
And I been looking for
someone lil more
than friends, yeah
I've been hurt once
I've been hurt twice
tossin and turning in
middle of the night
don't matter if it's wrong
matter if it's right
I hope you are the one
cus I can't hurt no more

you don't wanna love me
she don't really love me
Tell me if I'm ever gonna find my girl
Do you really love me
the way you say you love me
Wonder if I'm ever gonna find my girl
My girl (4x)
I wonder if I'm ever gonna find my girl

If you don't wanna love me
You don't wanna love me (come on)

Girl you know I'm feelin you
I can't deny
But I, gotta keep my
gaurds up, holding high (yeah)
Hope you really love me
cus baby I been searching
Tryna find the girl like you
I hope that I don't play the fool
cus all my love
is just for you

If you don't wanna love me
she don't really love me
tell me if I'm ever gonna find my girl
Do you really love you
the way you say you love me
Wonder if I'm ever gonna find my girl
My girl (4x)
I wonder if I'm ever gonna find my girl
My girl (4x)
Wonder if I'm ever

Now baby you and me we just so fly
So fly (4x)
and I'm giving you my all for the very first time

First time (4x)
put my heart in your hand
Let me lead way
I'ma be the bigger man
So baby don't you play
Now put my heart in your hand
Let me lead the way
I'ma be the bigger man
so baby don't you play

you don't wanna love me
she don't really love me
Tell me if I'm ever gonna find my girl
Do you really love you
the way you say you love me
Wonder if I'm ever gonna find my girl
My girl (4x)
Wonder if I'm ever gonna find my girl
My girl (4x)
Wonder if I'm ever gonna find my girl
My girl (4x)
Wonder if I'm ever gonna find my girl
My girl (4x)
Wonder if I'm ever gonna find my girl
Do you really love me
Do you really love me
