

# Would You Be

Bobby Valentino

I'm sure by now you can read me like a letter  
All my feeling, all my.. you're sleeping better  
Makes me wanna say..  
There everybody know that I'm.. richer  
When I'm around you I feel like a..  
'Cause I just wanna be around you  
The chemistry is so cool  
Wanna say your plane, support  
Let's make this for sure official.

[Chorus: x2]  
I want to be my shawty, shawty, my lady, lady  
My homie, homie, homie.  
Please be my shawty, shawty, my lady, lady  
My homie, homie, homie.

Me and you together go like milk and cookies  
I love you even you're acting kind of moody  
That's how I know I gotta lock you down  
Trust me when I tell you I never let you down  
Let's stay together like George and Wizzie  
I'll keep you back and you risk for a..  
.. on my whips on.. natural progressing what's next?

[Chorus x2]  
Baby would you be my shawty, shawty, my lady, lady  
  
My homie, homie, homie.  
Please be my shawty, shawty, my lady, lady  
My homie, homie, homie.  
I want to be my shawty, shawty, my lady, lady  
My homie, homie, homie.  
Please be my shawty, shawty, my lady, lady  
My homie, homie, homie.

I can't explain the way that I feel if you say yes  
I've had girlfriends but never hold me, hold me, hold me,  
Uuhh, I'll change my ways, it's all about you if you say yes.  
I've had girlfriends but never hold me, hold me, hold me.

[Chorus x4]  
  
My lady, lady, lady, lady, lady,  
My homie, homie, homie, homie.  
My lady, lady, lady, lady, lady,  
My homie, homie, homie, homie.

My homie, homie, homie, homie,  
My lady, lady, lady, lady, lady.  
My homie, homie, homie, homie,  
My lady, lady, lady, lady, lady.  
My homie, homie, homie, homie,  
My lady, lady, lady, lady, lady.
