

Bobby Tomorrow

Bobby Vee

Bobby tomorrow, oh yeah
Bobby tomorrow, ah-huh-huh

Bobby tomorrow, that's what you'd always say
Each time I'd ask you for a date
Bobby tomorrow, my heart would fill with sorrow
Each time you asked me to wait

Bobby tomorrow, that's what your mother would say
Each time I'd call you on the phone
Bobby tomorrow, why don't you try tomorrow
I'm sure tomorrow she'll be home

You'd always play so hard to get
I thought tomorrow would never come, and yet

Suzie tomorrow, my dreams will all come true
The wedding bells are gonna chime
Bobby tomorrow, I can't wait for tomorrow
Tomorrow darlin' you'll be mine, all mine

Bobby tomorrow, uh-huh-huh-huh
Bobby tomorrow, oh yeah
Bobby tomorrow, uh-huh-huh-huh-huh
