

Laurie

Bobby Vee

Laurie my baby, time goes so slow
How much I miss you, I guess you'll never know
Laurie my darling, say you'll be true
My dear I'll be waiting for only you

Laurie my darling, tell me you care
And when I want you, you will be there
Laurie I love you, you wait and see
Someday you'll belong to only me

Laurie I love you, you wait and see
Someday you'll belong to only me

Laurie my baby, don't let me down
Tell me you love me and want me around
Someday I know our dreams will come true
Laurie my baby I'll wait for you
