

# Someday

**Bobby Vee**

Someday (someday)  
You're gonna want me  
Someday (someday)  
You're gonna miss me

Someday  
When I'm gone from you

Someday (someday)  
You'll come a crying  
Your poor heart is  
A gonna be dying

Someday  
When I'm gone from you

You're gonna feed her  
Like a helpless child  
Your poor heart  
Will be running wild

The day's a coming  
Honey, can't you see  
You're gonna run  
Right back to me

Someday (someday)  
You'll come a crying  
Your poor heart  
Will be dying

Someday  
When I'm gone from you

You're gonna feed her  
Like a helpless child  
Your poor heart  
Will be running wild

The day's a coming  
Honey, can't you see  
You'll come running  
Right back to me

Someday (someday)  
You're gonna want me  
Someday (someday)  
You're gonna miss me

Someday  
When I'm gone from you
