

Don't Make This The Last Date For You And Me

Bobby Womack

Yo, my man started talking to me
He said "Bobby, if I go country, would you go country with me?"
I said "Yup"

I wanna say, "Darlin', just say it isn't so
'Cause I don't wanna see you go"
But I guess, oh it's just me, baby
Last night, when you left me
You told me it had to be
The last day for you and me

I know you told me not to worry
You said, "I found another lover"
And oh, but as long as there's a heaven above me
There will never, never be
Nobody else for me
Don't make it the last day for you and me

Sitting all alone by myself, by myself, by myself yeah
I place my heart on an empty chair
Tripping through each day
With a tear in my eye
Seen the whole world has passed me by
Ooh

Darling, just change your mind
Keep lovin' me girl
Say you can't leave this love behind
Oh baby, have pity on me
Don't give in to this fate
Change your mind, it's never too late
Don't make it the last day for you and me
