

Got To Get You Back

Bobby Womack

See, I was wrong, don't leave me alone
I'm singin' to ya
Ooooh, baby, why did ya have to go?
Ooooh, baby, why did ya have to go?

Say, girl, I tried to fake it
But it hurt so bad, Oh, I dont believe I can take it
Your love has put me in a jam, Yes it did
Spend one more lonely night, It's gonna take more man than I am

I got to get ya' back, Oh!

Ooooh, baby, why did ya have to go?
Ooooh, baby, why did ya have to go?

Listen to me now
Say girl, I bear it
You love your heart your soul
Please lemme share it girl

Just like a nightmare, it get's so plain, Ohhh, Yeah
I know you gon' drive ohhh me insane

I got to get ya' back, Oh!
Gotta, Gotta, Aw!
Get on Get on Get on Get on down

Ooooh, baby, why did ya have to go?, Say it again!
Ooooh, baby, why did ya have to go?, Say it again!
Ooooh, baby, why did ya have to go?

Your love put me in a jam, Your love
It's gon' take more man than I am

Ohhh I need you back

Get on, get on, get on, Get on down!
Tell em' one more time
Say It again
We can talk it over, Aw Yeah
Let me sing this song
Need ya by my side
Oh I can't take anymore

Ooooh, baby, why did ya have to go?
Ooooh, baby, why did ya have to go?
