

# I Honestly Love You

**Bobby Womack**

(Honestly love you, Gina)  
(Honestly love you)

Maybe I might hang around here  
I little more than I should  
But we both know I got somewhere else I can go  
I got something I wanna tell you  
Uh, I never thought I would  
But I believe you really ought to know (honey)  
Oh (honestly love you) I love you  
Baby, baby, baby (I honestly love you) I love you  
You know that I love you (honestly love you)  
You don't have to answer  
'Cause I see it all in your eyes  
Maybe it's better left unsaid, better left unsaid  
This is pure and simple  
Girl, it's about time you realize  
That it's coming from my heart and not for my head  
Oh (I love you) I love you  
Baby I want you know (I honestly love you) I love you  
Oh, I'm not trying to make you feel uncomfortable  
I'm not trying to make you feel any damn thing at all  
Oh, but this feeling just doesn't come everyday, everyday  
Oh, while I'm standing, standing here today  
I think I take the chance and say  
That I love you  
Baby I want you know (honestly love you) I love you  
If we both were born  
In another space and time  
I just might end this whole thing with a kiss  
'Cause sometimes I love to be kissed  
But there you are with your arms  
And here I am with mine  
But I guess we'll be leaving it at this  
Honey (ah) I love you  
Ma-ma-ma-ma (honestly love you) ma-ma-ma-eh-e-I love you  
Oh, honey I love you
