

# Is This the Thanks I Get

**Bobby Womack**

Aw baby  
Is this the thanks I get  
For loving you?  
I should have known  
That it could never, never last because it was too good  
Too good to be true  
Baby without you

Is this the thanks I get  
For trusting you?  
Now you're gone and here I stand all alone  
And I don't know, I don't know, what I'm gonna do

Yeah baby  
If you're happier without me  
Then I'll try to stay away  
When you feel that you need me  
I'll come running without delay

Now is this the thanks I get  
For believing it could be?  
You are all my dreams come true  
The other half of me  
Can't you see it baby?

Ooh  
If you're happier without me  
Then I'll try to stay away  
When you feel that you need me  
I'll come running without delay

Is this the thanks I get  
For loving you?  
Now you're gone and here I stand all alone  
And I don't know, I don't know  
What I'm gonna do  
Oh baby

Is this the thanks I get  
For trusting you?  
You are all my dreams come true  
And I don't know what I'll do
