

# The Look Of Love

Bobby Womack

Well, Well, hey baby  
Get on down  
The look of love  
Oh, is in your eyes  
Your look your smile can't  
disguise  
Oooohh, baby baby baby, babe

The look of love, love  
Is saying so much more  
than words could ever say -- Aw, baby  
And what my heart has heard  
Oh it takes my breath away  
Lemme tell you about it

I can hardly wait to hold you  
I wanna feel my arms around you  
How long I have waited  
Waited just to love you  
Its been so long don't ever go  
Oh baby I don't wanna see you go  
Well that's why I keep on singing

The look of love  
It's on your face  
The look that all time can't never, never, never  
never, never erase  
Honey, that's what you do, darling  
Be mine -- want you be mine, be mine tonight  
And let this be just the start of  
so many nights like this -- Aw, Baby  
Let's take a lovers' vow  
Oh I bet we can seal it with a kiss anytime

Body want to hold you  
I wanna feel my arms around you  
Oooh! long I've been away  
I've been waiting I've been waiting for so long  
Soooo long! I gotta go  
I don't wanna see you go, baby!

Don't Go [with chorus singing "Baby, baby please don't go"]  
Awwwwwww - Don't Go  
Hey, baby!  
Whooo Whooo hooo ooh, please! Hey!  
Can't let you go  
Ohhhh  
Lord, I don't wanna be that, girl  
Ooooo
